

Lab: Policy Based Management

- This is an in-class lab, and due **tonight (Feb. 1st)**. Encouraged finishing it during the class.
- Use the following naming convention: homework, underscore, last name, first initial, and extension (e.g., Lab_PBM_Img.docx).
- You can use your Windows 2019 VM or Windows VM on the Proxmox Server.
- Do not copy any of the sample screenshots provided as illustrations.
- This is graded as pass/fail.

- **(Task1)** Show in a screenshot like above that **usp_MyPolicyTest** stored procedure is created in **MyPolTestDB** successfully. Do your own work and do not copy the screenshot above.

- **(Task2)** Show in a screenshot that **MyPolicyTest** stored procedure cannot be created. Capture the screen showing an error message.
